

## (OPTIONAL) Online Payment with Bank Account

Faith Hope & Love Chinese School tuition can be paid by check or online. To pay by check simply drop off a check in the tuition box at school.

We use a company called PaySimple to allow parents to pay online through their bank accounts (ACH transfer, sorry no credit cards). Each session a payment notice will be emailed to you with a link that will send you to the online payment website. From there you can create an account and log in, then enter your bank account information to pay.

If you wish to, you can also have the school automatically withdraw your tuition fee on the due date each session.

### **To Sign Up for Online Payment:**

Student Name(s): \_\_\_\_\_

Email address where payment notices will be sent to:

Email Address: \_\_\_\_\_

(Please select one):

Email me payment notice and I will log in to pay myself

I would like FH&L to **automatically** withdraw payment from my checking account (please attach a voided check for this option).

### **Previous Online Payment users:**

Nothing needs to be done if you used the online payment system last year and wish to continue with no changes. If you would like to cancel or make changes, please email:
